Minutes of the Planning Committee of the Hatch Beauchamp Parish held via Zoom video conference on Wednesday, 28 October 2020 at 7pm.

Present: Ms Scott(Chair), Mr Graham and Mr Reid

Apologies: Mrs Noble, Mr Murphy and Mr Elliott

In Attendance: 4 members of the public

Declarations of interest: None declared.

1. The minutes of the meeting held on Wednesday, 16 September 2020 were approved as a correct record and signed by the chair.
2. To consider Planning Application:

19/20/0010 – Application for demolition of concrete batch plant, silos and control housing with relocation of welfare units and extension to gantry crane at Station Works, Station Road, Hatch Beauchamp.

The Parish Council unanimously approved to support this application with the following caveats: the colour/finish of the gantry blends into the landscape, none of the works exceed existing sight lines and a request to see the programme of works. It was commented that whilst the proposed work will not increase volume of traffic, concern was expressed at the increase in the size of the vehicles/slabs at the site.

The chair closed the meeting at 19:22.

To be signed by the Chair of the Planning Committee at the next meeting (date to be confirmed).

The minutes reflect an accurate record of events subject to any amendments listed below.
